Our Partner

Singapore Salvages Engineers Pte Ltd, hereinafter refers to (SSE) was founded in 1968. It is now a leading international service provider for Maritime Emergency and Support Service in Singapore, especially in the area of salvage response and diving operations.

It provides world class marine services to the port of Singapore and the Singapore government and offers state of the art marine solutions to all the shipping companies within the region.

SSE own and operates more than 50 support vessels which includes a mix of crane barges, work barges, tugs (with capabilities to manage oil pollution), supply vessels, rescue boats, dive boats and landing pontoons amongst others. SSE is fully equipped to support wide range of maritime emergency, pollution control and support activities. SSE has a large base in Jurong, Singapore, which is manned by a pool of competent personnel.

Our Partnership With SSE

E-Response Alert Sdn Bhd (herein after refers to eR-Alert) and SSE went into a Partnership in 2015 to provide Marine and Subsea operations in Malaysia. SSE has mandated its equipment, vessels and specialist manpower to fully support its Malaysian operations and currently in progress is a move to have some of their vessels registered in Malaysia.
